

Logic Model Review & Validation

- 1) Have there been any changes to context that impact the theory of change for each pillar (1100/1200/1300)?

1a) Intermediate Outcome 1100:

What are the assumptions being made?	What are the considerations for PIP elements? (Logic Model, Activity Workplan, GESI Strategy, Risk Management, M&E/PMF)

1b) Intermediate Outcome 1200:

What are the assumptions being made?	What are the considerations for PIP elements? (Logic Model, Activity Workplan, GESI Strategy, Risk Management, M&E/PMF)

1c) Intermediate Outcome 1300:

What are the assumptions being made?	What are the considerations for PIP elements? (Logic Model, Activity Workplan, GESI Strategy, Risk Management, M&E/PMF)

2) Reviewing language of outputs/outcomes and considerations of the wording implications:
